Chapter 7

The Hon. Thomas E. Carlson

Auction Date: March 24 -25, 2010

Place: [www.IpAuctions.com](http://www.IpAuctions.com)

**NOTICE OF ONLINE AUCTION OF  
INTELLECTUAL PROPERTY ASSETS  
AND PAYMENT OF FEE/COMMISSION  
TO AUCTIONEER  
(11 U.S.C. 363(b); F.R.B.P. 6004)**

TO THE DEBTOR, CREDITORS, THE UNITED STATES TRUSTEE AND INTERESTED PARTIES:

**PLEASE TAKE NOTICE** that from 12:00 p.m., March 24, 2010 until 12:00 p.m., March 25, 2010, an online auction of the Debtor's intellectual property assets ("Assets") described in Exhibit A attached to this Notice will take place on [www.IpAuctions.com](http://www.IpAuctions.com). The sale will be in conformity with this notice and information provided by the Trustee's auctioneer, Joseph Popolo of IpAuctions, Inc. ("IpAuctions"). The sale is on an "as-is, where-is" basis with no warranties or representations.

The Auction

The Trustee has employed IpAuctions as her auctioneer to market and sell the Assets. IpAuctions advised the Trustee that it believes that the Assets would garner the best sale price through a private sale procedure directed to numerous, individual buyers rather than to one purchaser, based upon IpAuctions experience in and special knowledge of the internet based auction industry. IpAuctions intends to use internet auctioning services and marketing and advertising, among other means, in order to notify potential purchasers of the availability of the Assets. The Assets will be sold in a single lot.

The items subject to auction are the patents, trademark and domain name described in Exhibit A. The auction will take place beginning at 12:00 p.m., Pacific Standard Time, on March 24, 2010 and end on 12:00 p.m., Pacific Standard Time, on March 25, 2010. After the auction, the Trustee will file an auctioneer's report and certification identifying the name of the buyer, the purchase price and the asset purchased.

Further Information

Any interested parties may obtain further information regarding the Assets and the online bidding process by contacting Joseph Popolo, IpAuctions, Inc., at (775) 826-1300 tel. or [jpopolo@ipauctions.com](mailto:jpopolo@ipauctions.com) or visiting [www.IpAuctions.com](http://www.IpAuctions.com).

### Payment to Auctioneer

Under the terms of the order appointing auctioneer, the Trustee anticipates paying IpAuctions a \$250 listing fee per patent/trademark, a \$25 listing fee per domain name and a commission of 20% for the first \$100,000, 15% for the next \$150,000 and 10% of the balance over \$250,000.

### Objections

**PLEASE TAKE FURTHER NOTICE** that anyone who wishes to object to the sale must do so in conformity with Rule 9014-1 of the Bankruptcy Local Rules for the Northern District of California. Rule 9014-1 requires that an objection be in writing, filed with the Clerk of the United States Bankruptcy Court, P.O. Box 7341, San Francisco, California 94120, and served on counsel for the Trustee at the address below. Rule 9014-1 also requires that an objecting party file with its objection any legal memorandum or evidence (submitted by declaration), which the objecting party wants the Court to consider in support of its objection. If no party in interest timely objects to the requested relief or requests a hearing, the Trustee will seek entry of an order approving the sale by default to the extent necessary or as requested, without further notice and in the absence of an actual hearing. If a timely request for a hearing is made, counsel for the Trustee will give at least 10 days written notice of the hearing to the objecting or requesting party.

**PLEASE TAKE FURTHER NOTICE THAT** as of January 1, 2005, the United States Bankruptcy Court for the Northern District of California has adopted mandatory electronic filing. If you are not currently qualified to file papers with the Court electronically, you should consult the Court's website ([www.canb.uscourts.gov](http://www.canb.uscourts.gov)).

**NOTICE OF INTENT TO SELL INTELLECTUAL  
PROPERTY, SUBJECT TO HIGHER AND  
BETTER BIDS (11 U.S.C. § 363(b))**

[No Hearing Requested Unless Objection Filed]

**TO ALL CREDITORS AND PARTIES IN INTEREST:**

**PLEASE TAKE NOTICE** that on Janina M. Elder, Trustee in bankruptcy of the estate of the above-named Debtor has agreed to sell any and all interest the Trustee has in the Debtor's intellectual property, including but not limited to the following (collectively the "IP Assets"):

Patent No.	Description
7,508,537	Centralized, automatic extraction of data from remotely transformed and transmitted forms
7,500,201	Data input method and system with multi-sub-field matching of user entries into a graphical input device
7,426,486	Multi-party reporting system and method
7,406,663	Graphical input device with dynamic field width adjustment for input of variable data via a browser-based display
7,296,221	System and method for remote, automatic reporting and verification of forms
7,212,301	System and method for centralized, automatic extraction of data from remotely transmitted forms
7,080,325	Graphical device for comprehensive viewing and input of variable data via a browser-based display
PUB. APP. NO. 20080294687	Patent Application: Centralized automatic reporting system and method from interface technologies

**BACKGROUND**

In March of 2010, the Trustee utilized an online auctioneer in an attempt to sell the Debtor's IP Assets. The sale was unsuccessful. The IP Assets were not sold. At the time, the only person that expressed interest in purchasing the IP Assets was the Debtor's Principal. However, as noted, the Trustee utilized an online auction company but no bids were received.

**THE SALE**

The Trustee has received an offer for the IP Assets from a party related to the Debtor's Principal: the Heck Family Trust: Timothy R. Heck and Varda Treibach-Heck Trustees (the "Buyer").

The sale is subject to higher and better bids, with the minimum bid set at \$5,500, as noted below.

The sale is on an "As-Is, Where-Is, and With-All-Faults" basis. The Trustee makes no representations or warranties as to the validity of any of the IP Assets at issue, nor whether any deadlines have passed. In fact, the Trustee has been informed that a maintenance fee is due for patent no. 7,080,325, patent issue date July 18, 2006. That fee is supposed to be \$555 and was due on February 18, 2010. Other than the foregoing, the Trustee does not have any information regarding the expiration of any dates that could affect the validity of the IP Assets.

### **OVERBIDS**

As noted, the minimum overbid is \$5,500. Should a party wish to overbid, the minimum overbid amount is to be paid at or prior to the time of auction. Any increments over and above the minimum overbid amount will be due within two (2) business days following the auction, if an auction occurs.

All buyers are responsible for any costs related to the sale and any necessary transfers, including sales tax, if any.

### **AUCTION DATE**

In the event an overbid is received, an auction will occur on August 3, 2010 at the office of Trustee's counsel, noted below. Overbidders and the Buyers can participate by telephone, but arrangements need to be made in advance with counsel for the Trustee, Michael A. Isaacs, at (415) 356-4600 or at [misaacs@luce.com](mailto:misaacs@luce.com) or with the Trustee, Janina M. Elder, by e-mail at [jmelder7@aol.com](mailto:jmelder7@aol.com) or by phone at (707) 569-9508.

The Trustee reserves the right, in her sole discretion, to require additional terms or conditions, to refuse bids which do not, in her sole discretion, conform to the terms of the sale, or to continue the sale from time to time without further notice to general creditors in this case.

### **OBJECTIONS OR REQUESTS FOR HEARING**

**PLEASE TAKE NOTICE** that Bankruptcy Local rule 9014-1 of the United States Bankruptcy Court for the Northern District of California prescribes the procedures to be followed with respect to any objection to the proposed sale or any request for hearing thereon. Any objection to the proposed sale or request for hearing thereon must be filed with the United States Bankruptcy Court at Office of the Clerk - United States Bankruptcy Court at P.O. Box 7341, San Francisco, California 94120, and served upon counsel for the Trustee at the address set forth below within 21-days of the mailing of this notice, i.e. August 2, 2010. Any request for hearing on or objection to the proposed sale must be accompanied by any declarations or memoranda of law that the party objecting or requesting wishes to present in support of its position. If an objection or request for hearing is timely made, counsel for the Trustee will give at least 7-days written notice of hearing to the objecting or requesting party. If there is not a timely objection to the proposed sale or a request for hearing, the Court may enter an Order granting the relief requested herein by default, without further notice and in the absence of an actual hearing.
